mb7 3m 

The board of mayor and aldermen passed a resolution in February last ordering the removal of the snack and coffee stands on the levee. Notice has been served on those parties to leave today. This resolution is about as sensible as the one which removed the sisters of as the one which removed the sisters of the part of buyers, and sales at 24 to 25c for middling, at which figure some 235 bales changed hands, but the advites received after midday reported a decline which put a stop to ported a decline which put a stop to the part of buyers, and the advites received after midday reported as decline which put a stop to prove as the one which removed the sisters of as the one which removed the sisters of the part of buyers, and the advites received after midday reported a decline which put a stop to prove a decline which put a stop to the advites received after midday reported a decline which put a stop to prove the part of buyers, and the advites received after midday reported a decline which put a stop to prove the part of buyers, and the advites received after midday reported a decline which put a stop to prove the part of buyers, and the advites received after midday reported a decline which put a stop to prove the part of buyers, and the advites received after midday reported a decline which put a stop to prove the part of buyers, and the advites received after midday reported as decline which put a stop to the advites received after midday reported as decline which put a stop to the advites received after midday reported as decline which put a stop to the advites received after midday reported as decline which put a stop to the advites received after midday reported as decline which put a stop to the advites received after midday reported as decline which put a stop to the advite stop to the part of buyers, and the sum of the part charity from our hospitals. We had thought that the new board would be an improvement ou the old one, but so far we have no reason to compliment our citizens. Those stands are not an eyesore, they are not in the way; on the contrary they are a convenience to the contrary they are a convenience to the The New York Economist relterate

sore, they are not in the way; on the contrary they are a convenience to the laborers engaged on our landing who have not the time of some of our aldermen to go to the subart's for their meals; but the character of the reports from the result in the country, respecting them, personned and the character of the reports from the reports from the reports from the result that the character of the reports from the reports from the result that the character of the reports from the reports from the result that the character of the reports from the result that the character of the reports from the result that the character of the reports from the result to the character of the reports from the country, respecting them, and whether they eat or not make little difference.

The Democrat says of the sale of A. & M. S. staamers Swon, Atlantic and Foresythmen, the extent of the allesianipolity says which were sold on the lat inst:

According to announcement, three old steamers, owned by the Atlantic and Foresythmen, company, were discipled to the company with the country, respections, and the seed has been very generation, and the seed has been very generation of Cherry street, Capt. Henry W. Smith of the Memphis packet company, acting as actioneer. The strendance of river men was good, the familiar countenances of Dozlers, Yores, Dills, Daggetts, Robbirds, Stillwells, Copelins, etc., etc., being visible in the assemblage. Bidding on the Edward Walsh began at S000, and she was knocked down to as S000, and she was knoc

Started the Atlantic at \$3000, and Sam't.

Stillwell got her for \$7500. Capt. Geo. Brown etaded while the blidding was part of the error of neglecting the grain of the error of neglecting the

her. Her machinery is worth more than the whole boat sold for. The result of these sales is evidence of a great depreciation in steambout stock.

The Connecticut farmers are turning their attention this spring to the cultivation of sorghum in place of tobacco, as the latter is very slow of sale.

Only one-third as many dry and fancy goods have passed through the Roston goods have passed through the Boston custombouse so far this year as during the same period of last.

APPLES—There is a fair stock, but OFFICE OF THE DAILY APPRAL, MEMPHIS, May 3, 1867. prices are firm. Selling at \$4 to \$5 per barrel. Receipts, none. > > Attachment Suit.

Before W. S. Wallon, Justice of the Peace of Shelby county, Tenn. J. C. Jacobi vs. H. B. Hagan. THE defendant in the above entitled case

will please take notice that an attachment
has been sued out against thin, and levied upon
one mare mule, upon the ground that he is
about to remove (traudulently) himself or his
property out of the County and State, and is
fraudulently disposing of the same, and is so
conceasing himself that the ordinary process
of law canhot be served upon him; and that
